

**Rocky View Chestermere Agricultural Society**

# **2026 Sponsorship Package**

The Rocky View Chestermere Agricultural Society (RVCAS) is a longstanding community based non-profit organization, as well as a registered charity. We are dedicated to enhancing the quality of life for our community members. We strive to engage individuals from all sectors of the population including families, children, minorities, and seniors through our educational programs, events, services, and facilities.

Our major events include the Alberta High School Rodeo in April, the Family Fun Fair in June, Bulls on the Beach in July, the Chestermere Country Fair in September, and That Winter Thing in December.

In 2026, RVCAS will host several events with sponsorship opportunities that allow your business to reach a diverse range of potential new customers. We rely heavily on sponsors, donations, and volunteers to make these events successful and we hope that we can count on your involvement this year. We would be thrilled if you would take the time to review our sponsorship package and let us know if you'd like to get involved.
