

# TREE DECORATING CONTEST AND AUCTION

*Help Raise Money for the Chestermere Food Bank!*

The Rocky View Chestermere Agricultural Society and Camp Chestermere are hosting a community Holiday Event called *That Winter Thing* on Friday December 3 and Saturday December 4. Friday night will include a family holiday dinner, activities and a movie and Saturday will be a full day of fun activities and will include the Kids Holiday Store.

As part of this event, we would like to raise money for the Chestermere Food Bank. This is where you come in. Businesses and organizations are invited to decorate and donate a tree that will be displayed at the event. Businesses and organizations can also display promotional material and leave business cards, brochures or anything else they like.

People who attend the event will be able to vote on which tree is their favourite and a prize will be given to the business or organization who receives the most votes. The trees will also be auctioned off in a silent auction that will happen throughout the two days with the top bidder being announced on the Saturday afternoon.

All of the proceeds from the auction will go to the Food Bank.

Please fill out the registration form below and email to [campdirector@campchestermere.com](mailto:campdirector@campchestermere.com).  
Trees need to be dropped off at  
Camp Chestermere by noon on Thursday December 2, 2021.
